

JADEBOARD® NATURE

Grey recycled board for solid board packaging solutions and the basis for all our products.

PUNCHABLE RECYCLABLE SUITABLE FOR OFFSET PRINTING SUSTAINABLE

PRINTABLE

DESCRIPTION

Gray machine-grade cardboard for use in the food, non-food, or industrial sectors without any special requirements. Optimal product protection for safe transport in the form of a sustainable packaging solution. Key features include a visually clean surface and a pleasant, odorless quality. In addition, our JadeBoard® Nature is characterized by its die-cutting and creasing capabilities.

APPLICATION

For interleaving sheets, specialized industrial packaging, simple folding boxes, or envelopes.

The general application recommendations are subject to technical testing of the cardboard type.
