

JADEBOARD® BROWN SPECIAL

Brown recycled board for solid board packaging solutions and specific industrial solutions with surface sizing.

SUITABLE FOR OFFSET PRINTING SURFACE SIZING SUSTAINABLE E RESISTANCE

PRINTABLE

DESCRIPTION

Dark brown machine-grade cardboard for use in the food, non-food, or industrial sectors where printing is required. This board is particularly suitable for the production of envelopes with the requirements of multicolour printing through a low-dust surface treatment as well as for packaging solutions for the automotive industry. Car accessories or spare parts are protected and safely transported by the carton and can be printed in a visually appealing way. Special features are the clean surface and odourlessness.

APPLICATION

For interleaving sheets, specialized industrial packaging, simple folding boxes, or envelopes requiring gluing.

The general application recommendations are subject to technical testing of the cardboard type.

SUITABLE FOR

- moist foods
- non-greasy foods
- dry foods
