

JADEBOARD® BROWN

Brown recycled board for solid board packaging solutions and specific industrial solutions.

SUSTAINABLE ITALLY FRIENDLY OF COURSE SUITABLE FOR OFFSET PRINTING

PRINTABLE

DESCRIPTION

Light brown or dark brown machine-grade cardboard for use in the food, non-food, or industrial sectors without any special requirements. This cardboard is particularly suitable for the production of envelopes requiring single-color printing, as well as for packaging solutions for the automotive industry. Car accessories and replacement parts are protected by the cardboard and transported safely. Key features include a clean surface and odorlessness.

APPLICATION

For interleaving sheets, specialized industrial packaging, simple folding boxes, or envelopes.

The general application recommendations are subject to technical testing of the cardboard type.

SUITABLE FOR

- non-greasy foods
- dry foods
