

JADEBOARD® STEIGEN BROWN

Light brown recycled cardboard with good forming properties for the packaging and filling industries.

SUSTAINABLE ITALLY FRIENDLY OF COURSESUITABLE FOR OFFSET PRINTING

PRINTABLE

COOLSAFE

DESCRIPTION

Light brown recycled cardboard as a shipping solution and sales-promoting product display for refrigerated dairy products, offering high stackability and packaging stability in cool and humid environments. Consistent quality allows for high production speeds during the packaging process.

In addition to its primary use for dairy products, JadeBoard® Steigen Brown is also suitable for other cold-storage packaging in the food industry.

APPLICATION

For cup-shaped products such as yogurt, cream, quark, beverages, or other refrigerated products.

The general application recommendations are subject to technical testing of the specific carton type.
