

## JADEBOARD® BROWN SPECIAL

Brown recycled board for solid board packaging solutions and specific industrial solutions with surface sizing.

ECO-FRIENDLY LOW DUST NATURAL OFFSET PRINTABLE

PUNCTURE RESISTANCE SURFACE GLUEING SUSTAINABLE

PRINTABLE

RECYCLABLE

### DESCRIPTION

Light brown or dark brown machine board for use in food, non-food or industrial applications with printing requirements. This board is particularly suitable for the production of envelopes with the requirements of multicolour printing through a low-dust surface treatment as well as for packaging solutions for the automotive industry. Car accessories or spare parts are protected and safely transported by the carton and can be printed in a visually appealing way. Special features are the clean surface and odourlessness.

### USAGE

For intermediate layers, specific industrial packaging, simple folding boxes or envelopes with sizing requirements.

The general recommendations for use apply subject to technical tests for the cardboard grade.

### TECHNICAL DATA

- Grammage: 350 to 800 g/m<sup>2</sup>
- Surface: uncoated
- Glueings: sized COBB60
- Colours: brown

### CERTIFICATION

- Certified for direct contact with dry and non-greasy foods
- FSC®
- Recyclable according to standard EN 13430
