RECYCLABLE

### DESCRIPTION

Light brown or dark brown machine board for use in the food, non-food or industrial sectors without special requirements. This board is particularly suitable for the production of envelopes with the requirement of a single-colour print as well as for packaging solutions for the automotive industry. Car accessories or spare parts are protected and safely transported in the box. Special features are the clean surface and odour neutrality.

### USAGE

For intermediate layers, specific industrial packaging, simple folding boxes or envelopes.

The general recommendations for use apply subject to technical tests for the cardboard grade.

### TECHNICAL DATA

- Grammage: 350 to 800 g/m<sup>2</sup>
- Surface: uncoated
- Glueings: unsized
- Colours: brown

### CERTIFICATION

- Certified for direct contact with dry and non-greasy foods
- FSC®
- Recyclable according to standard EN 13430
