### DESCRIPTION

JadeWhite® Classic is a two-ply paper with a white top layer. Our stock preparation guarantees an optimal quality under optical and technical aspects of the final product. The white surface of JadeWhite® Classic enables good processing and offers excellent printing properties to give the corrugated packaging more expression at the POS.

### USAGE

For the use of packaging that requires a white surface.

### TECHNICAL DATA

- Grammage: 120 to 200 g/m<sup>2</sup>
- Surface: calendered, uncoated
- Glueings: sized COBB60
- Colours: white

### CERTIFICATION

- Certified for direct contact with dry and non-greasy foods
- FSC®
- Recyclable according to standard EN 13430
